

President Report 2024

Welcome to the 2024 AGM.

Thank-you to the committee for their support over the last 12 months, some are taking a long earned break for a bit. Also welcome to the new committee members for this year.

The last year has been about bedding down changes in location and this has enabled a growth in our finances. We are now looking to try to build our numbers. We will have some initiatives over summer and any ideas to help would be much appreciated. Things like monthly prizes/red point events etc.

We will be buying some new tables and getting some maintenance done on our equipment.

We need a couple more U100's for our Mazda event. This has been well received and I am hoping to continue similar events in the future.

Paul Corry.
