

# FRANKSTON BRIDGE CLUB COMMITTEE MEETING AGENDA

**Date:** 4 August 2022

**Time:** Noon

**Facilitator:** Paul Corry

**Apologies:** Jane Proctor

## 1. Actions from previous meeting

Xero is the only accounting package Square supports. Costs according to VBA are not too onerous

**Action:** DD to contact Xero to get accurate pricing for club use.

## 2. Anita Spurling was welcomed to the Committee.

She has been a marketing professional for many years and is keen to assist the club in this area and in particular with driving new membership

## 3. Financial Report (attached)

From July 1 2022 club has made a loss of \$338. Income from Thursdays is either a loss or break even and needs more people to attend. Real Bridge is maintaining numbers but would also welcome more participants. Yarra Valley Bridge Club have shown interest in joining us on Mondays so an invitation to be sent to them.

**Action:** BC to invite them (Sue to provide contact details)

## 4. A potential move for the club

PC has opened discussions with both the Frankston RSL and Frankston Council.

A formal letter will be sent to both outlining the club's requirements and providing our credentials as a community non profit club.

AS will accompany PC to a meeting with the Social Committee as she had previous connections within the Council.

Frankston RSL have indicated they are very busy so are less likely to be a new venue.

The Frankston Council seems to be more possible.

#### 5. Australia wide pairs

This is a collaboration event between Frankston, Mt Eliza, Mornington, and Rye Dromana Bridge Clubs

**When;** 26 August 2022

**Time:** 1pm (finish approx. 4pm)

**Where:** St Marks Church Hall, Mornington

**Cost:** \$20 – to include the entry fee, A detailed booklet with hand details and explanations, and refreshments afterwards

**Entry:** This is a social event so just turn up on the day. It would however be helpful if you contact Sue Beckman (0412 975 502 or [sue.beckman@outlook.com](mailto:sue.beckman@outlook.com)) to let her know if you intend to attend.

**Payment:** Pay in cash or credit card on the day

#### 6. Lessons and supervised play

CS continues to teach on Tuesday evenings with floating numbers. Mainly now doing supervised play.

Some discussion about moving these players to Mt Eliza Club on Tuesdays, some opposition to this idea, so not resolved.

Another suggestion was to start a joint supervised /normal session on a Friday afternoon at the Uniting Church Hall in Mt Eliza. This could be a joint session for Frankston, Mornington and Mt Eliza clubs, following on from the suspension of Mt Eliza's Friday afternoon sessions.

Frankston Bridge Club is honouring the membership of Mt Eliza members who wish to play with us

#### 7. Fun Day

A possible new idea was to hold a fun day introducing a wider range of people to the club. Date TBA

**Action:** AS and SB

**8. Any Other Business**

**Annual General Meeting**

Date: 29 September 2022 after Thursday afternoon session in clubrooms.

Action: BC to distribute paperwork

Meeting closed at 12.45pm
