# BRIDGE WORKSHOPS

## 1. KILLING OPENING LEADS

♣ Opening leads can make or break a contract. Sometimes there are no clues available, but sometimes aplenty from the auction – Andy will show you how!

## 2. BID MORE ACCURATELY IN COMPETITIVE AUCTIONS

♣ Competitive auctions happen so frequently today, it is important to recognise when to bid higher, when to pass, and when to double!

- ♦ A great opportunity – there is something for everyone to take away with lots of expert insider tips from Andy. These workshops include a PowerPoint lecture, boards to play, and well-presented lesson notes.
